St. Paul Public Housing Agency (PHA) Welcomes the Minnesota Coalition for the Homeless to the W.A. Boss Building!

The PHA is pleased to announce that the Minnesota Coalition for the Homeless has signed on as a new tenant at the W. Andrew Boss Building located at 555 N. Wabasha Street, St. Paul. They will move into their new office by the end of December.

The mission of the Minnesota Coalition for the Homeless is to generate policies, community support and local resources for housing and services to end homelessness in Minnesota. The Coalition exists to ensure the community supports are in place to prevent and address the root causes of homelessness.

"We're excited to move this month. We look forward to working next to our partners at St. Paul PHA. As an advocacy organization, we're happy to be blocks from the State Capitol. Please stop by and see us in Suite 110." – Minnesota Coalition for the Homeless Executive Director Senta Leff
